WebAdvisor Instructions

Who uses online registration?
All students will be registering online except for UPOWER students. UPOWER students will receive a registration form via email.

Registration Instructions
A. Log into My HUgo.
B. If you see a Notification, please read it and contact the appropriate office to clear the Notification before registering online.
C. Click on the WebAdvisor/Student Self-Service box. Select Registration. Click on Steps for Registration and follow the steps on that page.

What if I have trouble registering?
If you have any other problems during registration, contact information is provided on the Steps for Registration page.
